

**Matthew Calarco**  
Director of Health, Physical Education, Athletics,  
Driver Education, Recreation & Aquatics

HICKSVILLE HIGH SCHOOL  
180 Division Ave  
Hicksville. New York 11801

In order for our teams to properly prepare, it is **expected** that all student athletes be in attendance on the first day of tryouts/practices and throughout the season, including holiday and recess periods.

Please read the following information carefully:

1. All families are asked to create an account, register their child, and desired sport on Family ID. Family ID can be accessed [HERE](#):
2. **It is imperative that any student interested in playing a sport register by the closing date. Students who fail to register by the deadline MAY BE denied participation, run the risk of not meeting the NYSPHSAA practice requirements, and the HHS tryout period / process.**
3. Please note that registration ***DOES NOT*** indicate your child has been approved. Families can view their approval status by doing the following:
  - Log in to your Family ID account.
  - On the blue bar at the top of the page, click **Registrations**.
  - Next to your registration, click **Summary**.
  - If an approval status has been added to the program, it will appear at the very bottom of the summary.
4. If your child has not been approved, an email will be delivered through Family ID. Please do not call the nurse's office- please make sure your email address is correct.
5. Forms should be uploaded through Family ID.
6. When registering on Family ID, all information must be completed and acknowledged by the parent and athlete, including a health history and COVID-19 history.
7. All Sports Physicals must be completed, **dated, signed, and stamped** by your doctor on the official New York State Physical Form, which should be dated within one year from the starting date of the desired sport. **All physical examinations for school are to be documented on the NYS Required Health Examination Form. No other physical examination form will be accepted.** Physical forms must be filled in completely and cannot be filled in with "see attached." Only immunization records may be attached to physical forms. ***The examination form needs to indicate that the student can participate in all activities without restriction.*** All forms need to be **uploaded** on Family ID.

8. The Sports Update form is only valid for one year. **Please do not sign, date, or submit the Sports Update form earlier than one month prior to the starting date of the desired sport.** These forms can be found on Family ID or on the Athletic Website [https://www.hicksvillepublicschools.org/programs/athletics/required\\_forms\\_for\\_athletic\\_participation](https://www.hicksvillepublicschools.org/programs/athletics/required_forms_for_athletic_participation)

### **NYS School Health Examination Form**

(As of January 31, 2021, physical examinations for school are to be documented on the NYS Required Health Examination Form

[https://www.hicksvillepublicschools.org/programs/athletics/required\\_forms\\_for\\_athletic\\_participation](https://www.hicksvillepublicschools.org/programs/athletics/required_forms_for_athletic_participation)

If you have any questions please call:

- Hicksville High School Health Office (Lori Cardillo or Julie Bartoli, R.N.) @ (516) 733-2205
- Hicksville Middle School Health Office (Fran Venezia, R.N.) @ (516) 733-2276
- Hicksville Schools Department of Health, Physical Education and Athletics @ (516) 733-2245.

We look forward to seeing your children participating in our programs. Go Comets!

Sincerely,

Matthew Calarco

Director of Health, Physical Education, Athletics
